

Prince Edward Island Licensed Practical Nurses Registration Board

Member Engagement

Expression of Interest Form

Opportunities will be available for Licensed Practical Nurses to participate directly in the regulation and governance of the profession.

Different opportunities are available and will evolve in the future. Some examples of member engagement include;

- Item writer/content expert for the Canadian Practical Nurses Registration Examination (CPNRE) facilitated by Assessment Strategies Inc. (ASI)
- Investigation and Discipline Committee member

Future opportunities may include;

- Continuing Competency Audit Committee Member

These roles may be a good fit for you if you are;

1. Currently licensed as a LPN and in good standing with the PEILPNRB
2. Able to carry out the role in a manner that serves and protects the public interest
3. Flexible with your schedule and able to attend an occasional daytime meeting
4. Able to arrange own transportation

If you are interested in finding out more about opportunities to engage as a member, please complete the following request for information.
